

## Spring 2022 Academic Calendar

Changes to this and future academic calendars may be necessary as part of the University's response to COVID-19. Rather than bookmarking this document, please use <u>our website</u> to ensure that you have the most up-to-date information. A change log is provided at the end of this document.

Because Georgia College values the religious diversity of our students, major religious holidays that will be observed on class days have been included on this calendar. Students who will miss class in observance of a religious holiday should notify their instructors as early as possible and be prepared to make up work missed as a result of the absence. The instructor will decide the nature of the make-up work and the deadline for completion.
